October 2003

On Tuesday, October 7th, our guest speaker was Gillian Folkes. Gillian is a University of Florida graduate and is now a PhD candidate in the Department of Food Science and Human Nutrition. She is currently doing research on how to preserve beer. She presented us with an interesting topic: "Social Implications of Food in Ancient Rome."

Her talk gave us a "taste" of what life might have been like for ancient Romans. She also compared how she felt that there are a lot of similarities between how food relates to societies in ancient Rome and the modern society.

Brothers Duncan and Ness have a few questions for Gillian

Gillian Folkes and new club president Justice Mitchell

Tidbits...

At last month’s meeting, brother Justice Mitchell (Ringling ’93) was elected as the club’s new president. Congratulations Justice (that’s not a typo. It’s Justice, not Justin).

As if winning Greek Week for the 3rd year in a row, Delta Gamma’s Anchor Splash for the 2nd year in a row, and the Chi-O All Stars Softball Tournament this year wasn’t enough; the Phi Delts at UCF have something else to be proud of.

UCF brother Justin Key is UCF’s Homecoming King for 2003. Justin was crowned in front of 20,000 fans at halftime of UCF’s football game on Oct. 25th. (That one is Justin, not Justice...)

The following brothers renewed since last month:

Duncan, Bobby *Seims, Jack Roy *brothers who have donated more than the \$30 renewal.
 Henderson, Edmond Summers, Bruce

We now have 36 paid members. We usually have about 50, so if you haven’t renewed, please do it today!

We have a new website address. Justice was kind enough to procure the domain www.CentralFloridaPhi.com for our club. Right now, it just has the information that was at the old site, but he has big plans for it.
