September 2004

No, we didn't let the threat of hurricanes deter us from our annual Florida college football program. However, it did deter most of you! On Tuesday, September 7th, we held our annual Florida college football luncheon.

First up we heard from Kevin Carmody, from the Seminole booster club. Kevin has been attending this meeting now for several years. He picked the Noles to contend for the national championship.

Next up was Mona Atkinson, from the Canes booster club. Mona has also been attending this meeting for several years. Mona thought she wasn't going to be able to attend the meeting this year, since the Miami-FSU game was schedule for the night before the meeting. However, thanks (?) to hurricane Frances, the game was moved and Mona was able to attend. She had

made a couple of predictions, one envelope for if Miami lost to FSU ("We suck") and one for if they won. We now know that she didn't need the losing prediction.

Last up was Gert Garman, the sports marketing director for UCF. Gert brought along

Coach O'Leary (well, a life-size standup of him). Although Gert didn't make predictions of UCF contending for a national championship this year (she said to give Coach O'Leary 3 or 4 years), she is expecting an exciting season.

At the meeting, the club also voted to send \$100 donations to support the hurricane relief efforts to both the Red Cross and the Salvation Army.

Next Meeting is October 5th

We usually meet at Lee's Lakeside restaurant (downtown Orlando, off Central Ave. on Lake Eola) on the first Tuesday of each month at noon. The cost for the lunch is \$12. (\$5 for actives at UCF & Rollins.)

Our next meeting will be on Tuesday, October 5th. Our guest speaker will be Porter Metcalf, speaking on "Golf and New Technology".

PGA Golf Teaching Professional Porter Metcalf, Jr. is a Valedictorian Graduate, Dual Program Major of Emphasis - Golf Professional and General Management of the Golf Academy of the South. Graduating with top academic honors, playing credentials, and recipient of his graduating class' Advance Clubmaker Award, Porter went on to pass the PGA Playing Ability Test on his first attempt and is a graduate of the PGA's Professional Golf Management Program.

Porter Metcalf's golf background includes a wealth of teaching and golf operations experience in such areas as junior golf, tournament golf and event planning, competitive player development, high school and collegiate golf, advanced custom clubfitting/repair/modification, golf journalism and photography, as well as being highly regarded as a skilled player and competitor.

Last month we had a very poor turnout. Please try to make it this month!
