October 2004

PGA Golf Teaching Professional Porter Metcalf, a Valedictorian Graduate, Dual Program Major of Emphasis - Golf Professional and General Management of the Golf Academy of the South was our speaker at our September luncheon. Graduating with top academic honors, playing credentials, and recipient of his graduating class' Advance Clubmaker Award, Porter went on to pass the PGA Playing Ability Test on his first attempt and is a graduate of the PGA's Professional Golf Management Program.

Porter Metcalf's golf background includes a wealth

of teaching and golf operations experience in such areas as junior golf, tournament golf and event planning, competitive player development, high school and collegiate golf, advanced custom clubfitting/repair/modification, golf journalism and photography, as well as being highly regarded as a skilled player and competitor.

Porter talked to us about

advances in golf technology. He also discussed his work with junior golfers, including the competitive player development program, Leaderboard Juniors, which he developed. You can find more information at www.LeaderboardJuniors.com.

Good-bye Lee's, Hello Tap Room at Dubsdread

Lee's Lakeside is now under new management. As a result, they changed their group policies and their prices. They were now charging us \$17 a person for lunch. We voted at the October meeting to move to a new location since we felt this was too large of an increase. **Our next meeting will be on Tuesday, November 2nd at the Tap Room in Dubsdread Country Club at 549 West Par Street near downtown Orlando.** (This is where we held our Founder's Day Dinner this past March.) The cost for the luncheon will be \$15 (\$5 for actives at UCF & Rollins).
