ΦΔΘ 3rd Annual TOYS FOR TOTS Drive

For the third year in a row, our club has collected toys for the Marine Reserve's Toys For Tots program. At our luncheon on December 5th, we collected almost four large boxes of toys. Pictured below with a few of the toys are outgoing president Justice Mitchell, incoming president Bob Serros, and VP of programs Dabney Davis. Justice packed up all the donations and delivered them to the

Marine Reserve post in Orlando. This has been our club's major philanthropic event for three years. A special thanks to brother Justice Mitchell for spearheading this event and

to brother Sandy Sanders for purchasing and delivering \$200 worth of toys that the club donated.

Sandy delivered another surprise too. Making his first appearance at a meeting this year was brother Lou Toth. Lou has been in the VA hospital for several months recovering from some medical issues. Brother Sanders was kind enough to pick Lou up and bring him to the luncheon. It was good to see brother Toth again.

Our next meeting will be on Tuesday, January 9th at the University Club in downtown Orlando. Note that this is the 2nd Tuesday in January. Since the first January is the day after News Years Day, we pushed this luncheon back a week. This will be your only notice, so mark your calendar now!

The luncheons are \$15 (\$10 for actives at UCF & Rollins). This price includes the meeting room, the meal, tax, tip, gratuity, and parking. The University Club is located on the corner of Rosalind and Central, directly across the street from the main library. Parking during the meetings is available in the lot right next to the club – just pull up to the gate and the gate will open.

Custom Ties

I received this email from brother Zachary John at the Rollins chapter:

Florida Beta has worked hard with vineyard vines to make custom Neckties for Phi Delta Theta. vineyard vines has chosen to stay out of the custom Fraternity business as a whole, however, one of our members has interned with the company for three years so they agreed to make the ties. We will only be making 300 ties total. The company will not reproduce these in the future and the licensing agreement does not allow us to sell any more than 300. I was hoping that you could pass the included link on to your membership so that you can have the opportunity to have these great looking neckties.
