September 2007

---

---

Our September luncheon got off like a shot. Brother Dabney Davis gave an insightful talk on the founding of our great country. Dabney, an extremely active member of our club, is a retired high school history teacher and former special agent in the Defense Investigative Service.

Brother Davis' talk focused on General George Washington and the rifles in use during the Revolutionary War. He is a collector of artifacts from the American Revolution, and brought along several rifles and picture displays. Pictured to the right is Dabney showing a Pennsylvania long rifle. These rifles were one of the most important items contributing to our independence from England. These long rifles were accurate up to 250 yards, as opposed to 90 yards for other rifles in use at that time.

**Our next meeting will be on Tuesday, October 2<sup>nd</sup> at noon at the University Club in downtown Orlando.**

We will be having a guest speaker from the Orlando Regional Medical Center Level One trauma center.

Do you know: what a Level One trauma center is? What accounts for more years of life lost than heart attack, cancer, and stroke combined? What the "Golden Hour" is and why it's so important? Find out the answers to these and more on October 2<sup>nd</sup>.

The luncheons are \$15 (\$10 for actives at UCF & Rollins). This price includes the meeting room, the meal, tax, tip, gratuity, and parking. The University Club is located on the corner of Rosalind and Central, directly across the street from the main library. Parking during the meetings is available in the lot right next to the club – just pull up to the gate and the gate will open.

**Renewals**

The following 37 brothers have renewed their memberships. \* indicates brothers who have donated more than the \$35 renewal fee. If you haven't had a chance to send in your renewal, now is a great time!
