October 2007

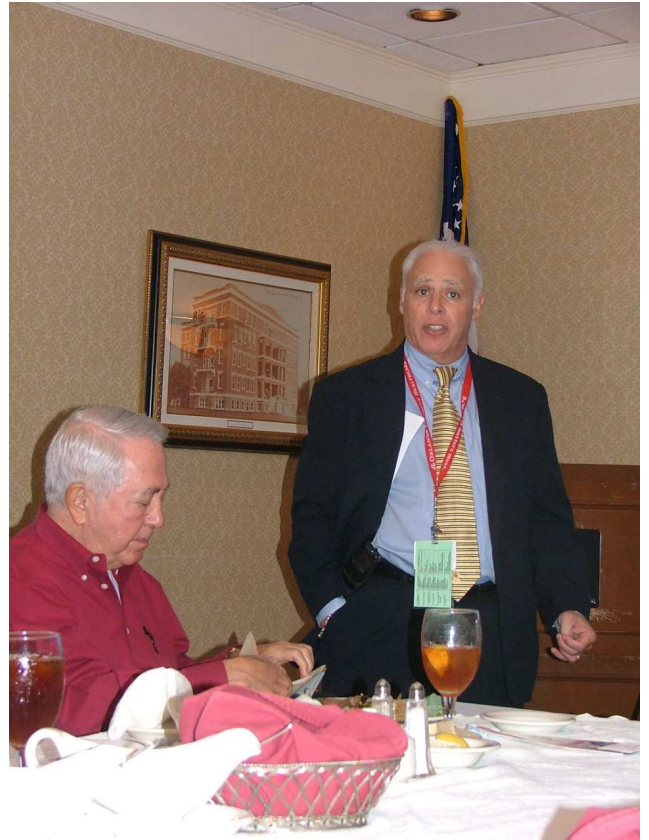

Orlando Regional's chief medical officer, Dr. Timothy Bullard (pictured to the right), was one of the guest speakers at our October luncheon. Dr. Bullard was also joined by Jeremy Gamble, Director of Development of Trauma & Emergency Services at Orlando Regional Healthcare. Orlando Regional is the only Level One Trauma Center in Central Florida. It is also the 2nd busiest in Florida.

A Level One Trauma Center is not just an emergency room. The Trauma Center has:

- a general surgeon in house, 24/7
- anesthesiology team in house, 24/7
- Operating room, available 24/7
- Multiple specialists available immediately
- 20-30% improvement in mortality rates

Orlando Regional Healthcare plays an integral role in saving the lives of trauma patients. Beginning with the Air Care Team, the critical transport helicopter, they offer fast transport to the trauma center. Once a patient reaches the trauma center, they are met with 15-20 trauma experts ready to provide life-saving treatment to critically injured patients. The center has a dedicated radiology area, surgical duties, burn, and trauma ICU. Dedicated diagnostic equipment and surgical suites are available to address the sensitive needs of a trauma patient.

For more information on the Orlando Regional Healthcare or to make a tax deductible gift, go to <http://foundation.orlandoregional.org>

Our next meeting will be on Tuesday, November 6th at noon at the University Club in downtown Orlando.

This is a luncheon you don't want to miss. Dr. Ed Wycoff, a communications professor at UCF, will be our guest speaker. The Orlando Sentinel has called Dr. Wycoff "the funniest man in ten states, a comedian in professor's clothing."

Ed is a national award winning professor, a national award winning humorist speaker, an international award winning writer, and a national award winning military officer. Make sure you don't miss this luncheon – and bring a fellow Phi!

The luncheons are \$15 (\$10 for actives at UCF & Rollins). This price includes the meeting room, the meal, tax, tip, gratuity, and parking. The University Club is located on the corner of Rosalind and Central, directly across the street from the main library. Parking during the meetings is available in the lot right next to the club – just pull up to the gate and the gate will open.

Notes

Alan Gutberlet, the Alumni Relations chair at UCF, attended the October luncheon along with a couple of other UCF actives. Alan gave an update on the chapter, including the fact that they now have 65 brothers and 35 pledges. A couple of actives from Rollins were also there, informing us of their charity golf tournament in October. The club donated \$100 to the tournament.
